REPORT ON NSE CERTIFICATION COURSE

On 8th & 9th August 2022 the Department of Management has organized an certification course on “**National Stock Exchange and Capital Markets**” for BBA 4th semester and 6th semester students in AES Computer Lab.

Session was carried on by **Mr. Shivaram** and **Mr. Glenn Roger**, Founder and Director, Finmark Trainers India Pvt Ltd.

This course is a perfectly designed course which provides a foundation for understanding Fundamental Analysis. The course is scientifically structured to help the participants understand basic concepts and terminologies relating to the capital market and their application for investing in stocks. Fundamental Analysis is the backbone of investing. Fundamental analysts study the Balance Sheet, Income Statement and Cash Flow Statement to gain insight on a company's future performance.

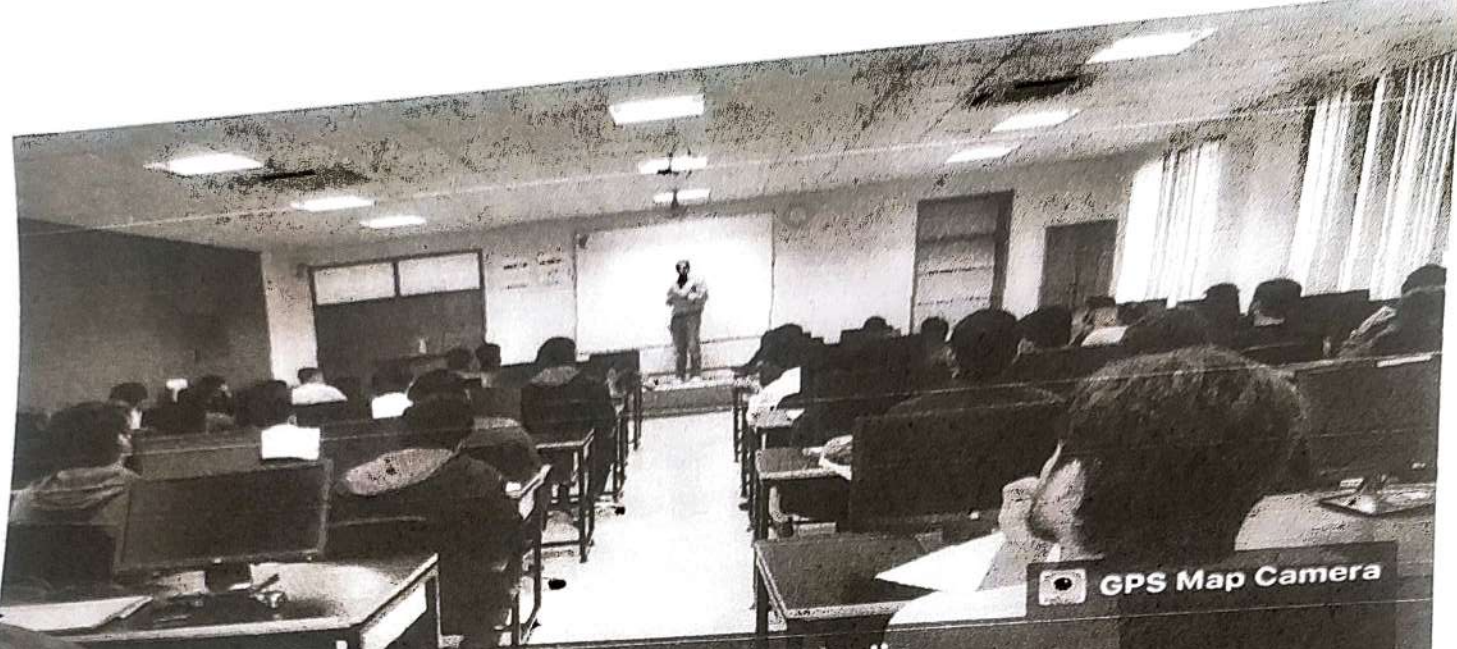

The goal of this programme is to provide an understanding as to how Balance Sheet and Income Statement can fit and be analyzed together. Apart from this, the course also imparts knowledge about the macroeconomic, Industry and sectoral analysis and other qualitative factors. By the end of this course one shall have a much more solid grasp of the language and concepts behind security analysis and

be able to use this further for stock analysis, personal portfolio management and many more

It was a interactive session where students had clarified their doubts with the resource person.

The successful execution of the Guest Lecture was possible through the continuous support of our Principal-**Dr. Gurunath Rao Valdy** and **Dr. M. Sudha**, HOD, Department of Management.

No

Very interesting program

The season that Glenn Shir has took was outstanding but the one who took technical analysis was not that much effective.

Nothing

Teaching was more in an advanced level and not for beginners

We should have another good session on technical analysis.

Report on “Value Added Certificate Course”

From 07-09-2022 to 19-09-2022, Department of Management have conducted “Value Added Certificate Course on “TALLY” for the first year BBA students for 40 hours respectively.

This course was conducted with the intention of, it is designed to provide a solid foundation of Accounting. This course is designed to impart knowledge regarding concepts of Financial Accounting.

Tally is an accounting package which is used for learning to maintain accounts. As this course is useful for Commerce and Management students to get placements in different offices as well as companies in Accounts departments. The overall goal of this course is to guide students on the use of accounting concepts, tools and techniques in specific business settings.

Tally is advanced accounting software that is used to keep track of accounts. It helps records all types of accounting that include invoicing, receipt notes, inventory management, sale records, credit note, etc. The software helps record the complex book keeping in a simple way so that everyone can handle it easily.

Tally Prime helps manage accounting, inventory, banking, taxation, banking, payroll and much more to get rid of complexities, and in turn, focus on business growth

The Course was started from 07-09-2022 to 19-09-2022 at 10:00 am 5pm every day, by External Resource person Mr. Manjunath R. Center Head of MARK Education Academy (MEA).

The Course was introduced to Students to learn and gain knowledge of Tally software. Using software like Tally is an ideal solution for tracking the business efficiently. Used by scores of small and medium enterprises, Tally has become a popular software for record-keeping and accounting purposes. This has in turn lead to Tally becoming one of the most popular Computer courses after 12th Commerce!

Course was realistic and informative. The course was concluded by making Students aware of accounting software's helps in enhancement of analytical skills, assists in rational configuration as well as solution of problems.
