12. What would you suggest to enrich the syllabus? Mention in few lines.

408 responses

Nothing
Nothing
Good

No

No suggestion

Good

Nil

Syllabus is excellent

Very good

Ntg

Everything is fine

.

More practical approach

Excellent

some syllabus that framed by the university it should reduce

It's good and excellent

Take some class activity because everyone can interact and we will gane knowledge

Visual teaching

The sullabus need to be more easier

Do more fashionable programs, and internship

One Screen, One Concept.

Provide required materials inside the campus

Make us to do some seminars we can over come by fear we get confidence to speak

Decrease the amount of syllabus by a few , because of a lot of work and Pressure is there , sometimes students can't get over with it.

Field activities, industrial visit, co curricular activities

Field activities, industrial visit,workshop,co curricular activities

Field activities, industrial visit, work shop

Provide required materials inside the campus

Field activities,work shops, industrial implant trainings, visits, more practical activities

No suggestions

Nothing to say

This campus is very nice but this record works studying work are over load that's y we don't have time to study

The 2nd sem syllabus is more we don't have this much time to cover specially Dyeing and printing practical

use projector so student can understand syllabus easily

We want more visual impact more than now

Reduce some portions hevy load work students have dont time to rest or sleep full of load work some students cant take heavy load work because of this the studente are drop outing please consider it

More question materials

As the course entitles to be Aviation oriented, I think more of Aviation subjects and Industrial Visits can be scheduled as we have been to 2 in 2 years which should be more frequent.

I don't know what to say but they need to get more attached to the students

—

..

Make the syllabus more practical than theory. These subjects and all can't be easily learned form theory it requires practical. If they conduct proper practical according to the subject then for the students like me the syllabus will be more interesting and it will motivate us to do pg and reasearches.

Practical exposure

As we are the cbcs batch we didn't have a major choice in our syllabus

To do more assingments and class tests

As off now it is good. For future semesters also we are looking forward for the same type of syllabus

More updated contents

To give some decent amount of time to finish up the portion

Reading into a syllabus

Updation of syllabus is the key to meet the current challenges, Social work syllabus is framed long back.

More in-depth study would be helpful

Kindly give the good amount of time to complete the portion

Teach well

Class room should have ppt presentation,field activities, industrial visit,

Include more digital classes

Better discussion Between students and teachers

The syllabus should be more relevant to the curriculum for betterment of students

Could have include more relevant topics

Detailed syllabus and much more relevant contents in the syllabus related to course

More practicle less therotical

Update knowledge of present scenario

There are some repeated units in Mental Health and Psychiatry subjects which is not useful. More practical based knowledge should be provided according to the syllabus. More Psychiatric illness should be included in the 4th semester syllabus.

Add new skill development programs

Give more guest lectures

Build according recent trends

Teachers need to be regular in class.

Relevant subjects for the curriculum

Give unit headings and marks. Adding course relevant topics and recent research definitions

Nul

As per NEP batch curriculum is the best apart from other schemes

More engaging and entertaining rather than lecturing about the program

Add some practical topics than theoretical

More fieldworks than continuous theories

More definitions

more industrial visits

Comparing with previous NEP syllabus , current NEP syllabus is good

Decreasing the syllabus

All things are going good

more contents about the program

Make it more practical oriented. It can be difficult to understand sometimes because of lack of pratical exposure.

Need to avoid more theory.

more practical and field work and standardized notes

We can take from recent trends

Get detailed casestudy....!

More topics

It's good

Intresting topic and methods

Nothing as such

Innovative teaching

Nothing else

More usage of current and relevant information

Everything is good

Maintain proper time for the syllabus, Don't rush and go

Teaching

Stitching will more creative a design

Little more easy form

Give more and more ideas in different types of designing . Stitching has to be more creative and same design which already exists should be avoided . Visits should be more in number to get more information. Guidelines of teachers was good but some extra information are also neede to improve our skills which are now in trend ..

None
Haa campus ambience is good
It's very nice campus..I like this campus

Keep some cctv because we can keep our things in college

Open the 1 main gate while going out

Campus ambience is good

Talk about your academic achievements, how committed you are to continuing your studies in more depth, and your passion for the subject

Keep some cctv in corridor

Campus is one of the best that provides space and good environment for students

Campus selection, internship options

Campus selection,intership opportunity

In classrooms ppt presentation, campus selection,

More space for studing

Class room should have PPT presentation, Control of mosquitoes

No suggestions

Nothing to say

Plant many good flower trees

Campus is very good. And eco friendly

Very good ambience

College campus is good

Peace

Nothing!

Its very satisfying ambience in the campus

Good going 🐼

Sports department will be more better if they provide us mats and indoor place for games like karate and kick boxing

What is the use of the college ambience if the faculty or any of them are not taking the students for a theory class or a break with the students. The ambience and everything in the college is fine but please make a space for the students to enjoy it with the students or with the faculty

Give a permanent class room for a department, dustbin in each class , provide sports class

This collage is it's best, there is nothing to do more

All are Good..

Campus has an amazing ambiance to it

They are UNWONTEDLY CLOSED THE 1st and 2nd GATE. It is not fare. We want to open that gates also. The hotels and mess are near to there only. So if the gates closed, we can't go there and come back to the class at on time... SO PLEASE CONSIDER THE REQUEST FOR OPENING THAT 1ST AND 2ND GATES.!

The prior concern is there are no projectors in all the classrooms, which are necessary in teaching-learning process.

Give free parking

Nice ambience for studying

Internship Campus selection Class room ka interior designing

Ambience is well maintained and good

Overall campus is really good.

Improve class room facility

Great

Good infrastructure

It's good

Life maintenance is very poor.

To promote skills enlarged students

Perfect

Provide lift

Want to stop riding bike inside the campus

Allow students to use lift facility.Put more waste basket in classrooms as well as campus..place a sanitary napkin vending machine.. Repair the washroom locks and taps.

i want to mention a issue. As the front gate is closed from 3days before. it is really hard to come infront of the college once a student is entered into the campus. please do needful

...

Bring more Indian traditional modifications to portray our culture

Please install pads vending machine into the ladies washrooms of AIGS, it's a necessity.

parking fee for vehicles was not a good idea as we have to pay 10rs daily and where should we park our vehicles if yhe college do not provide the facilities? the new entry and exit rules are not comfortable as we have to circle the campus inorder to go the main gate for food which we can understand is a short period rules because of the traffic and large no. of freshers.

Please try to open the front gate of the campus.Currently it is closed.People are struggling to reach the front of the college. Also the college hostel is near the front gate.

Everything is fine.

It's fine and the atmosphere is good

All things are going good

Campus and ambience is really good but in last few days we students can't exit through the 1st and 2nd gate. This makes the students very difficult to walk behind through the back gate and go for their lunch. Most of the students prefer the 1st and 2nd gate for the exit.

Nothing.

more classrooms with projectors

Nothing campus is excellent

It's good....!

Free parking

Activity area chilling sports

Not to be so toxic

Campus ambience is well and good

Nothing else

12. What would you suggest to enrich the syllabus? Mention in few lines.

65 responses

The curriculum should be focusing on the LSRW and Grammar
The syllabus is framed in an excellent manner.

Nil

Give more importantance to practicals

Practical exposure needed

Teaching practically

Students should get more practical exposure

Few more literary texts should be included.

By augment the syllabus of other Universities and panel discussion

The curriculum should be focus on grammar and LSRW

the subject curriculum shall be provided considering the stream.

More collaborative work for students. More Industrial interactive sessions. More practical sessions to be engaged.

Syllabus should include more skill Orient and logical reasoning

More Practical knowledge to be included

Provide collaborative knowledge exchange discussions/models with IISc, IIT's and Industries.

To enrich the syllabus will help.stydents learn more and explore more in their respective fields .

Addition of much more connecting contents with the present practical world business

Include current technologies and industrial based topics. Give more importance to lab sessions

Syllabus has to be revised according to industry standard

More skill based courses

Counseling triad practice to provide real experience of Counseling

Syllabus content is repeating in some of the subjects that's need to be rectified.

Syllabus is up to the industrial and academic standards.

Include industrial relevant topics

Application based syllabus should be more focused

Application level based curriculum

Activities

Current syllabus is good for BBA students.it includes all the subjects which are useful for a BBA student.

Updation according to the current industry requirements

More emphasis on Statistics at the UG level.

Encouragement regarding Research on campus.

No

Syllabus is appropriate, only one thing is that if possible more books should be available in library.

In the syllabus I wish little more practical should be included

Add more practicals then theory subjects

more practical.oriented contents should me mentioned in.syllabus

Incorporation of the industry standards

Some applied as well as research oriented courses to be included

While revising syllabus consider the need of International Students also. There are some barriers in the syllabus from the perspective of International Students.

Incorporate to activities related to environment.

We can include some research oriented chapter in each subject

It's good

NEP syllabus has to be reworked to match with number of hours alloted.

Group projects, practical work, creative expression, personal research, and brainstorming should be implemented

Focus on skill based learning

It is suggested to focus more on entrepreneurship and how to develop entrepreneurial skills

-

The curriculum should be focus on LSRW and Grammar skills

We need more of updated syllabus like presently in the market like a) Product Management b) Geo Politics and so on

More practical skills than the theory aspect.

Take job trends into consideration

Including most advanced technologies.

To enrich the syllabus, consider incorporating courses on digital transformation, data analytics, sustainability, entrepreneurship, and global business.

Good only

Add activities related to the subject to be conducted during the class

58 responses

Perfectly fine with everything

Nothing

Nil

Campus ambience is praise worthy

Good

Regular maintenance of rest room, more CCTV and lift facilities

The ambience of the campus is excellent.

Our Campus having good atomspere with variety of green plants and flowers.

No complaints

Spectacular ambience.

Campus is excellently maintained.

All good

State-of-art infrastructure and with picturesque atmosphere in campus

It's wonderful

Provide more projectors for improving ICT based learning

tiyasha2524@acharya.ac.in

It's good infrastructure and envirommental friendly campus.

Assign the classrooms for each course.

Class room facility is poor in the department Our department don't have enough class rooms to run the classes properly

Excellent

Maintenance

We have a good campus with all necessary facilities

No

Electricity and water supply should be ensured in staff rooms (its toilets).

Its beautiful and good to be here

Wonderful campus which creates the best learning environment for the students

digital classrooms sholud be implemented

Campus is clean & green and thanks to the management in maintaining them to the international standards

Automated lending of books ,proper water facilities can be arranged.

Provide more systems and printers in staffroom. Provide students attendance register. Increase the number of smart classrooms.

Maintenance maybe improved

It's Good

NIL

Open library

Everything is fine

No comments

Please assign atleast 1 fixed classroom to each semester for MSc Psychology. Classroom assigned is extremely less for the course and extremely impacts learning.

Nothing

Good ambience

Improve Green Spaces and Aesthetics, Sustainability Practices, Collaborative Spaces and Modern Facilities

Good only

Facility to lifts

## ALUMNI FEEDBACK ON CURRICULUM AND AMBIENCE-2022-23

21 responses

Excellent
The cource is mostly theoretical. Indeed, it is a core science branch. But adding some industrial or tech relevant subjects would help students to find jobs easily. The current curriculum is purely research oriented. Adding some topics which cope with present leading technologies would be great.
Give more practicle skills which will help to enhance their knowledge towards their career
No
Encouraging techniques to boost students skills and knowledge
Updation of the social work syllabus.
Labour law should be common.field work should be continuous to get benefitted both students and organisations.classes could be more practical oriented than theory
Over all good
Nothing it should be a same syllabus
All good
Good
Need to focus more on practicals.

Some technical aspects should include and practically train students for outer world

Good

add more practical oriented syllabus and make the present students compete with NID and NIFT students.Give them opportunities and a balanced time to participate and complete the work.moreover there is a necessity of a counsiller at every dept.
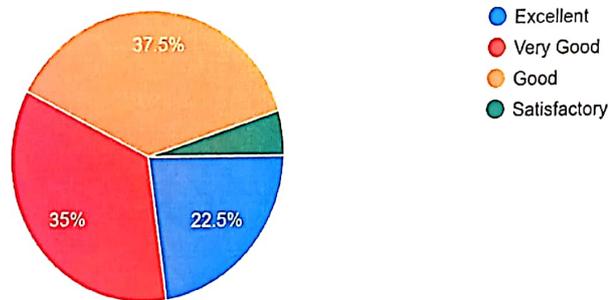

good

More practical method of teaching

Everything is good

12. What would you suggest to enrich the syllabus? Mention in few lines.

67 responses

Nothing

Nothing

No

.

...

Nill

The beginning of your syllabus should include all the most basic information students need.

Good

the class should be more interactive

Industrial visits

Give more industry visits

No complaint

It would be better if students are given more practical knowledge rather than just calssroom lessons.

Current NEP syllabus is far more better

We are satisfied with the current syllabus .

It need some improvement....!

More studies

Everything is fine

Make the extra class usefull

Exposure based study

Provide more practical classes

One of the best ways to clarify such communication is through your course syllabus.

Provide personal development programs

Some more activities and students friendly lecturer needed

Coordination

Satisfactory

.

It's good as it is now

Without drag

Not Bad

Provide materials for examoriented topics and cover the syllabus

You have to focus more on practical sections also.It will bring some kind of improvement in their knowledge.

NONe

If Syllabus starts with very basic ,it can be easy to understand the concept easily

Please cover the syallabus and also provide some material that they can study for the academic.

Update

Ok

Continue to update the syllabus as per the future needs of IT.

Excellent

Keep updating the content to meet the challenges

So far it's good

Nice

Focus on Preparation

nothing

As per students preference.

Syllabus should be effective in the real world

Good

Syllabus should be effective in the real world

Please provide placements for our students

Shld complete the syllabus and give student extra time for their sem exams

Practise of teaching new AI tools for the students so that they can be well updated with the future technologies and updation of university subjects,like including new programming languages and carrer guidence

Everything is good

....

Teaching should be effective

Great examples

Worth it

No complementary

Thank you

Good campus
Nice
No
Very nice
..
Nill
Instead of only confining the teaching-learning process inside the classroom, on campus provides the
students the access to faculty members even after classes are over.
the campus ambience ins good
develop the existing ones
Excellent campus

Nothing to suggest

Campus ambience for easy studying

.

Please let the students to go out of the college through front gates. Recent days it is not possible.Students are struggling a lot.

Acharya institute campus is well equipped and we are very satisfied.

It's overall infra is good....!

Attracting things

Its good

The ambience is good but the rules are not better Student should have some limitations in everything inside the camping

Ambience is really nice

Satisfied

All the faculty are so helpful they are always ready to help their students or guide them for their better future. college campus environment is so friendly and all are so kind.

Nothing more

Ntg

Very good

.

Campus ambience is one of the best in Bangalore

Affordable food

NONE

Wonder

Campus is very Good i have no suggestions, they maintain everything perfectly

Campus is very clean and tidy but class rooms are not up to the mark

Be Friendly

Better

Campus is very clean and attractive. Maintain the campus as it is clean and green.

Very good campus area

More (direction)signboards needed, for parents who visit the campus

It's good as it is now, For me no need to change

nothing

if there is no other problems.you can please take away the parking fee for students.

It's good enough nothing to improve

Please provide a placements for MCA students

Ntg much campus is good
