

Introduction (2021-22)

The IQAC team of the institution has collected feedback from the alumni on ambience of institution as part of quality monitoring and quality assurance practices implemented in the institution.

The feedback link is also available in the website and students are encouraged to fill in the feedback form.

The data so collected by using an online software is also analyzed by the software and the result is reviewed by the IQAC team. Recommendations are prepared and forwarded to the management.

Action taken report is also prepared for follow up actions.

The following is the analysis of number of responses per question.

Conclusion

Feedback analysis and action taken report is a regular quality monitoring and quality assurance activity of the IQAC team of the institution. Feedback is collected every semester and reports are analyzed.

The recommendations are also reviewed and appropriate actions are taken. The actions taken are noted in the IQAC Annual Quality Assurance Report and submitted in the yearly reports.

In case there is any recommendation that requires detailed planning and effort to implement, the same is noted in the Plan of Action of IQAC for the subsequent year in the AQAR.

The activities are monitored and outcome is mentioned in the Actions Taken in the next year AQAR
