DEPARTMENT OF COMMERCE PG

REPORT ON WEBINAR-28.05.2020, Thursday, 10.00 am to 12.30 pm

Venue: ACHARYA LIVE APP- AIGS

Acharya Institute of Graduate Studies (AIGS) was founded in 2005, and is counted among the top graduate colleges in Bangalore. The Institute offers undergraduate and postgraduate courses in a variety of subjects that include Language, Sciences, Technology, Commerce, Management, Commerce, Fashion Design, Marketing, Accounting, E-Commerce, etc. AIGS is endowed with modern physical, technological and academic infrastructure and provides a world-class learning ambience to its students. As the best graduate college in Bangalore, The Faculty members have vocational experience in various streams imparting practical knowledge to students coupled with hands-on learning exercises that include Project Work, Seminars, Workshops, Industrial Visits, etc.

AIGS is committed to mentoring its students beyond the prescribed curriculum, making us one of the top graduate colleges in Bangalore. Through NSS and various social activities, they are made aware of their social responsibilities. Non-English speaking students can learn language skills through Certificate Courses. Seminars and workshops are held to build current awareness and to enable active interaction with experts. In addition to the campus periodical, Acharya Samachar, video documentaries are also produced by students of the Communications Department. Why wait? Join the best Graduate studied college in Bangalore and kick start your career wheel. Graduation colleges in Bangalore, Degree colleges in Bangalore, Best degree colleges in Bangalore, Top degree colleges in Bangalore.

Research and Development is one of the sturdy areas in AIGS. Research Projects and collaborative activities are being carried out with the support of Government and non-government funding agencies like ICSSR, IMPRESS, DST, VGST, SERB, etc. Acharya Institute of Graduate Studies has collaborative projects from national agencies such as

Sanidya

Bengaluru - 560107

IISc, IITs, DAE, DST, and CSIR; and from international organizations such as Virginia Commonwealth University, VCU-USA, and Iowa State University. Being the top degree college in Bangalore, we are experts and our expertise includes analysis of industrial effluents; development of nanomaterials; polymer materials; organic and inorganic compounds of industrial and medicinal applications, developing prototypes involving AI and ML. We also have student exchange programs Universitas Budi Luhur, Indonesia.

Department of Commerce PG had organized a webinar on “Augmenting Project Report Writing Skills.” The objective of the webinar was to be acquainted the PG students, with the architecture framework of the project and research design and data analysis. The webinar has started at 10.00am with the welcome address given by Dr.S.Gopalakrishnan, Associate Professor, AIGS, Bengaluru. The programme is was planned to create awareness and motivate the PG students to involve in research and contribute with their knowledge through journals publications, seminar presenstations and Books and chapter publications. The resource person of the session Dr.N.Ramkumar from PSG-IM, Coimbatore has begun with how to find the Research Problem and setting objectives for the study. He also, presented about scaling techniques, research design and data analysis using MS- Excel. Around 65 M.Com discipline students and faculty members has participated in this session. It was very interactive and this was an eye opener session for the students about project report writing. Program departed well with good coordination of the faculty members and students and the webinar ends with vote of thanks given by webinar coordinator of Dr. S. Vidhya, Assistant Professor, AIGS, Bengaluru.

Report

Acharya Institute of Graduate Studies, Department of Commerce successfully organized a One Day National Conference on “Logistical Intricacies in Waste management for achieving Circular Economy” sponsored by ICSSR – SRC HYDERABAD on February 20, 2020. The conference was well attended by eminent academicians, faculty members, industry delegates and students from various parts of the country. As per protocol the conference was inaugurated by the chief guest **Dr.A.N.Yellappa Reddy, Chairman, Bangalore Environmental Trust, Former secretary, Department of Forest and Environment, Government of Karnataka.** The programme commenced with a lighting of the lamp accompanied with an invocation song. Thereafter, **Dr.Anil B Malali, Vice Principal, AIGS** welcomed the gathering and expressed his thoughts on the dire need of the waste management system requirements.

Dr.S.Gopalakrishnan, Conference Convenor, gave the inaugural address explaining the concept of Circular economy and the logical intricacies involved in the waste management process. He also explained the purpose of the conference and the number of papers with schedule of presentations and the programme of the day. Following the inaugural address, **Prof. Chandramouli A.S. Professor and Head, Journalism and Mass communications department, AIGS, Chairman, Advisory committee of the conference,** delivered a special address citing the issues and challenges of waste management process and introduced the chief guest to the audience.

Dr.Sandhya, Medical Officer Health & Nodal Officer, BBMP, Bengaluru delivered the key note address explaining process of Municipal Solid Waste management – Awareness, Process and Present initiatives in Bengaluru city. Lots of doubts were asked by the audience which was clarified by the speaker with a good level of interaction.

In technical sessions three different category of presenters presented papers related to the theme namely, External faculty members, Students, Internal (AIGS) faculty member. A Total of 60 papers were received, out of which 36 papers were accepted and selected for presentation. 28 papers were presented and three best paper awards were given to the best presenters by the respective session chairs. All the participants were issued with a conference kit which included one jute bag, writing pad and a pen with schedule of presentations and feedback form with lunch, tea and snacks coupon. Apart from the presenters around 50 students have participated the conference who were not charged any registration fee and awarded with the participation certificate.

There was a very fruitful interactions and discussions gave an enlightenment on the waste management among the participants. Finally, Dr.S.Gopalakrishnan, conference convenor, concluded the conference by reading out the conference report with a valedictory address along with the distribution of certificate to all the participants. Programme concluded with National Anthem at 5.10 p.m.

About Acharya

Acharya Institutes is an educational organization consisting of 11 institutes that offer specializations in various fields and foster interdisciplinary courses. Acharya Institutes is a sprawling 120

acre campus, with Bengaluru's largest Wi-Fi-enabled composite academic facility. Acharya Institutes has 15 research centers, 50 academic streams with over 100 programs. 15000 students from 75 nationalities are presently pursuing their education at Acharya Institutes.

About AIGS

Acharya Institute of Graduate Studies (AIGS) was founded in 2005, and is counted among the top graduate colleges in Bengaluru. The Institute offers Undergraduate and Postgraduate courses in a variety of subjects that include Language, Social Work, Social Sciences, Sciences, Commerce, Management, Marketing, Accounting, Fashion and Apparel Design, etc. AIGS is endowed with modern physical, technological and academic infrastructure and provides a world-class learning ambience to its students. AIGS is committed to mentoring its students beyond the prescribed curriculum aspects.

About the Department

The Department was established in 2011 with Undergraduate Programme for B.Sc Degree. Later on, in 2013 Post Graduate programme in M.Sc., Chemistry was started in the Department.

The Department has staff strength of 10 Teaching and 01 Technical staff. The faculty of the department are highly qualified with Post-Doctoral, Ph.D, NET, GATE and KSET. In our vision and

mission we tend to educate students with sound knowledge and offer training. The Department is recognized for diverse research under the areas of organometallic, bioinorganic, material

chemistry, nanocomposites, synthetic organic chemistry, green chemistry and biochemistry. The Department has signed MoU with industries to engage staff and students in industry-academia

training sessions, hands-on-training and internships to understand the industry requirements and practice recent techniques. The students and staff are involved in various curricular,

co-curricular, extracurricular and extension activities.

About the Event

The main motto of this event to bringup the entrepreneurship skills from the students and provide the latest tools and techniquet used to scale up the business success

Workshop on “Entrepreneurship and Skill Developments Programme in Chemistry”

DATE : 21/09/2019
VENUE : Room No: **102** and Open auditorium, AIGS

Acharya Institute of Graduate Studies (AIGS) was founded in 2005, and is counted among the top graduate colleges in Bangalore. AIGS is committed to mentoring its students beyond the prescribed curriculum, making us one of the top graduate colleges in Bangalore. Faculty and students are encouraged to organize and participate academic and administrative programs.

The resource person for the day **M. R.CHAYA**, Assistant Professor, K.L.E Nijalingappa College has received award as Best organizing teacher awarded by Karnataka Prathibha Academy for excellent service rendered in the field of education in 2009. To her professional experience, she had undertaken six projects; UGC funded Minor Research Project of Rs. 1, 72,500 is completed on the topic “Synthesis, Characterization and Biological evaluation of novel amides and sulphonamides of pyrazine containing quinoline and piperazine nucleus.” (Feb2014-Sept 2016). Has guided student Research Project in the area of Chemistry.

In major her focus is to explore the skills and promote entrepreneurial activities at various avenues in the following subject themes.

1) Chemistry of noble gases 2) Chemistry of fireworks 3) Nobel prize winners of Chemistry 4) Chemistry in pharmaceuticals 5) Chemistry in daily life. 6) Transition metal chemistry & coordination compounds 7) Chemistry in environment 8) Stimulating beverages 9) Periodic table 10) Nano technology 11) Polymer technology 12) Role of chemistry in Agriculture 13) Food adulteration 14) Drugs 15) Present source of energy & need for alternatives.

Objectives:

- The event is designed to engage the students in the preparation of detergent, floor cleansing liquid, stain wash, hand wash, soap and candle.
- Further this skills are more to orient students for the subject interest and analyse the future demands.
- The event also extends to inculcate entrepreneurial skills among the practitioners.

About the Event:

We at Department of Chemistry, AIGS had organized a *One-day* Workshop on "Entrepreneurship and Skill Developments Programme in Chemistry" on 21st Sept 2019.

Dr. Somashekar M N, HOD, Assistant Professor, Department of Chemistry, AIGS addressed the gathering by introducing the guest and resource person of the day Ms. M R Chaya, Assistant Professor, KLE S Nijalingappa College, Rajajinagar, Bengaluru presented on the topic "Entrepreneurship and Skill Developments Programme in Chemistry" The guest speaker was invited to segment her programme.

The resource person commenced with the presentation by 11:00 am that included power point presentation and smart board usage in detailing on the new ideas in the field of Chemistry to develop entrepreneurship abilities and skills and concluded by 12:00 pm.

Several activities involved the preparation of detergent, floor cleansing liquid, stain wash, hand wash, soap and candle.

Outcomes:

- During the event the students were engaged in hands on training in understanding chemical mixture ratios.
- In the process of preparation, the usage of chemicals, safety and precautions was demonstrated to students and faculty.
- Students and Faculty were involved in the complete procedure of preparation of detergent, floor cleansing liquid, stain wash, hand wash, soap and candle.
- This also led to the building of young entrepreneurs

At this moment we take the opportunity to thank our Principal for his cordial support, faculty members and students involved in successful completion of the programme.
