INTERNAL QUALITY ASSURANCE CELL

Acharya Institute of Graduate Studies understands Internal Quality Assurance cell as an adoptable management philosophy for revitalize the educational and administrative concepts. The establishment of IQAC on 14-August 2010 aids for excellence and is a major post-accreditation quality sustenance measure. The cell integrates itself into the institutional mechanism to facilitate growth in every facet. The cell plans, guides and monitors quality assurance and enhancement activities. It plays a key role in channelizing, systematizing the efforts and measures of the institution towards excellence in all its spheres.

Vision:

The Internal Quality Assurance Cell (IQAC), established in accordance to NAAC guidelines, aim to work towards quality sustenance and enhancement of the academic and administrative performance of the Institution.

Mission:

To develop a system for conscious, consistent and catalytic improvement in the overall performance of Acharya Institute of Graduate Studies.

Objectives

- To ensure continuous quality enhancement initiatives through internalization of quality culture and institutionalization of best practices.
- To inculcate the sense of belongingness and participation in all the constituents of the institution.
- To become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality.

Functions

- To arrange for periodic assessment and accreditation of the institution
- To stimulate the academic environment for promotion of quality of teaching-learning and research in AIGS.
- To encourage self-evaluation, accountability, autonomy and innovations in the institution.
- To understand quality-related research studies, consultancy and training programmes
- To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.
