

DEPARTMENT OF BCA

Report Submission: 10/08/2026

Semester: V	Academic Year: 2026–27	Venue: Main Auditorium, Acharya Institutes
Event Date: 07/08/2026	Time: 11:00 AM to 01:00 PM	Duration: 2 HRS

TYPE OF EVENT: GUEST TALK

EVENT NAME: NAVIGATING TECH WAVE: FROM CAMPUS TO CORPORATE LEADERSHIP

Target Audience: BCA V Sem Students	Number of Participants: 267	Event Coordinator: K Ramakrishna Reddy
--	------------------------------------	---

Objectives:

1. To provide industry exposure.
2. To create awareness of emerging technologies.
3. To motivate students to develop professional skills.

Program Introduction:

The Department of Computer Application organized a GT for BCA V Semester students to provide meaningful industry exposure and insights into the changing technology landscape. The session brought together academic learning and corporate experience, helping students understand the expectations, opportunities, and skills required to build successful careers in the technology industry.

Theme of the Event:

The theme, “Bridging the Gap Between Academic Learning and Corporate Excellence” focused on helping students understand how emerging technologies are shaping the IT industry and how they can prepare themselves for the transition from campus to corporate life. The session emphasized continuous learning, professional skills, adaptability, and leadership.

Detailed Report:

The Department of Computer Application organized a GT titled “Navigating Tech Wave: From Campus to Corporate Leadership” on 07 August 2026 at the Main Auditorium. The programme was conducted from 11:00 AM to 1:00 PM for BCA students, with 267 participants attending the session.

The programme commenced with a formal welcome to the Principal, Head of the Department, faculty members, distinguished resource persons, and students. The resource persons, Mr. Srinivasan Sarangapani, senior director, oracle, Bengaluru and Mr. Swaminathan Chandramouli, senior Director, Oracle, Bengaluru, were invited to address the gathering and shared their valuable industry experience.

The GT was organized around the theme “Bridging the Gap Between Academic Learning and Corporate Excellence”. The speakers discussed the changing technology landscape and highlighted the importance of keeping pace with emerging technologies. They explained how students can strengthen their technical knowledge, communication abilities, problem-solving skills, professional attitude, and adaptability to meet industry expectations. The session also encouraged students to look beyond academic qualifications and continuously upgrade their skills in order to remain relevant in a rapidly evolving technology environment.

The resource persons shared practical insights from their professional experience and motivated students to develop a career-oriented mindset. The interaction helped students understand the importance of continuous learning, professional development, and readiness for corporate opportunities. The session also provided with an opportunity to learn directly from experienced industry professional and gain a better understanding of the transition from campus to corporate world.

The talk concluded at 1:00 PM. A Vote of Thanks was delivered expressing sincere gratitude to the management, Principal Dr. Gurunath Rao Vaidya, Head of the Department Mr. Ramakrishna Reddy, the resource persons, faculty members, volunteers, and students for their valuable support and participation. The programme concluded on a positive and inspiring note, with students gaining useful insights into career opportunities and professional growth.
