## REPORT ON SWACCHOTSAV

**Report Submission: 07 October 2025**

**Semester:** ODD

**Academic Year :**2025 – 26

**Venue:** AIGS, Around the campus

**Date:** 25/09/2025

**Time:** 08:00 AM to 12:00 PM

**Duration:** 4 hrs

**EVENT NAME: Eco-friendly and Swachotsav Celebration**

**TYPE OF EVENT: Celebration**

**Target Audience:** NCC cadets, Students, Faculties & Public

**Number of Participants:** 45

### Objectives:

#### **Objective of the Event:**

The primary objective of the Swachh Bharat Diwas 2025 – “Swacchotsav” celebration organized by Acharya NCC, 05/09 Coy, at Acharya Institute of Graduate Studies (AIGS) was to promote awareness about cleanliness, sustainability, and the harmful effects of plastic use. The event aimed to inspire students and cadets to adopt eco-friendly habits and contribute actively towards maintaining a clean and green environment in line with the ideals of the Swachh Bharat Abhiyan.

To achieve this, engaging activities such as Paper Bag Making and Pluck Card Making Competitions were organized among the four houses—Alpha, Bravo, Charlie, and Delta—to encourage creativity, teamwork, and environmental responsibility. These competitions not only fostered enthusiasm and participation but also emphasized the importance of replacing plastic with sustainable alternatives.

An oath-taking ceremony was held to reaffirm the participants' commitment to reducing plastic use and promoting cleanliness. This was followed by a rally from the 1st gate to the 4th gate of the campus, spreading messages of cleanliness and environmental care. The participants also distributed handmade paper bags to nearby shopkeepers, putting their learning into practice.

Overall, the event sought to cultivate environmental awareness, civic sense, and collective responsibility among students and cadets.

## Detailed Report on Swachotsav:

### Event Overview:

On the occasion of Swachh Bharat Diwas 2025, themed "Swacchotsav", the Acharya NCC 05/09 Company organized a series of meaningful and engaging activities at the Acharya Institute of Graduate Studies (AIGS) to promote cleanliness, sustainability, and environmental responsibility among students and cadets. The event was conducted on 25th September 2025 and witnessed enthusiastic participation from NCC cadets, students, and faculty members who came together to uphold the ideals of the Swachh Bharat Abhiyan.

The day began with two interactive competitions — Paper Bag Making and Pluck Card Making — which aimed to combine creativity with environmental awareness. The competitions were held among the four groups of cadets: Alpha, Bravo, Charlie, and Delta, encouraging a healthy spirit of teamwork and collaboration. Participants crafted beautiful paper bags and expressive pluck cards with thought-provoking messages on cleanliness and anti-plastic awareness. Among the groups, Bravo stood out for their creativity, teamwork, and commitment, securing the first position in both competitions.

Following the competitions, an oath-taking ceremony was conducted, where all participants pledged to reduce plastic use, promote eco-friendly habits, and maintain cleanliness in their surroundings. This solemn moment symbolized the collective resolve of the Acharya community to contribute to a cleaner and greener future.

The highlight of the day was a rally that commenced from the 1st gate to the 4th gate of the campus. Cadets and students carried placards and banners displaying powerful slogans on cleanliness, sustainability, and the harmful effects of plastic pollution. Their enthusiasm and discipline drew attention and appreciation from onlookers, spreading awareness across the campus.

To conclude the program, participants distributed handmade paper bags to nearby shopkeepers, encouraging them to avoid plastic and adopt environmentally friendly alternatives. This gesture reinforced the practical essence of the event — turning awareness into real-world action.

Overall, Swacchotsav 2025 successfully instilled a strong sense of civic responsibility, environmental consciousness, and unity among participants. The event not only echoed the vision of a clean and sustainable India but also inspired everyone to take small, consistent steps toward preserving the environment for future generations.

### Outcomes:

The Swachh Bharat Diwas 2025 – “Swacchotsav” celebration at Acharya Institute of Graduate Studies, organized by Acharya NCC 05/09 Company, successfully met its objectives of promoting cleanliness, sustainability, and environmental awareness among cadets and students. The event fostered a strong sense of civic responsibility and encouraged participants to adopt eco-friendly practices in their daily lives.

Through the Paper Bag Making and Pluck Card Making Competitions among the four groups—Alpha, Bravo, Charlie, and Delta—cadets demonstrated creativity, teamwork, and dedication towards environmental conservation. The healthy competition also strengthened unity and collaboration among the groups, with Bravo Group emerging as the winner for their innovative and impactful work.

The oath-taking ceremony reinforced the participants’ commitment to reducing plastic use and maintaining cleanliness in their surroundings. The rally from the 1st gate to the 4th gate served as a powerful medium to spread awareness about the ill effects of plastic and the importance of a cleaner environment, not only within the campus but also in the surrounding community.

The distribution of handmade paper bags to nearby shopkeepers turned the initiative into meaningful action, encouraging the local community to reduce plastic dependency.

Overall, the event resulted in:

- Instilling environmental awareness and responsibility among cadets and students.
- Fostering teamwork, creativity, and leadership qualities through group participation.
- Promoting practical implementation of the Swachh Bharat mission’s ideals.
- Strengthening community engagement by extending the cleanliness initiative beyond campus.

The event thus achieved its goal of inspiring sustainable habits and reinforcing the collective responsibility toward a cleaner and greener future.

### Conclusion

The Swachh Bharat Diwas 2025 – “Swacchotsav” celebration organized by Acharya NCC 05/09 Company was a remarkable success, effectively fulfilling its purpose of promoting cleanliness, sustainability, and environmental awareness among students and cadets. The enthusiastic participation of all four cadet groups — Alpha, Bravo, Charlie, and Delta — reflected a collective commitment towards creating a cleaner and greener campus environment.

**KARNATAKA&GOADTE**

Through creative and interactive activities like Paper Bag Making and Pluck Card Making Competitions, participants not only showcased their innovation and teamwork but also gained a deeper understanding of the importance of reducing plastic use. The oath-taking ceremony reinforced their sense of responsibility towards maintaining cleanliness, while the awareness rally and distribution of paper bags translated the spirit of the event into tangible community action.

The event stood as a meaningful reminder that real change begins with small, consistent efforts. It successfully inspired cadets and students to become ambassadors of the Swachh Bharat Abhiyan, spreading the message of sustainability and environmental consciousness beyond the college gates. Overall, "Swacchotsav" instilled a lasting sense of pride, unity, and responsibility — echoing the vision of a cleaner, healthier, and more sustainable nation.

How would you rate the overall event on a scale of 1 to 5?

60% of participants rated the event 5 (Very good).

33.3% of participants rated the event 4 (Good).

3% of participants rated the event 3 (Average).

3% of participants rated the event 1 (Not good at all).

Any suggestions for improving similar events in the future?

33 responses

everything was perfect

Nothing

The event was good

I would prefer rather than just saying say no to plastic, we should adapt much more powerful schemes to make the message clear for the people.

No, it's good

I would like to recommend that the Cdts should be educated about the event first then start with the activities so that they'll have some idea about what's going on. Then it would be great if some refreshment is provided.

Nope

Happy to be a part of the event, expecting more events like this in future

KARNATAKA&GOADTE

Everything was good

Great learnings of doing work unitedly for our environment and country

Nothing so

It was a great activity regarding awareness

Green india movement - tree plantation and eco friendly habits

Well would love if provided some good refreshments after a tired day

Refreshments

Nothing much same this way only

For future events, consider adding more interactive elements or opportunities to engage directly this helps create lasting connections and a more memorable experience.

Nothing, the conducted event was good

It should be completed in the limited time

I think no, all events are going better with seniors and cadets

**Most participants found the event to be well organized and enjoyed participating in the celebration of Swach Bharat- Swachotsav. The overall objectives and outcomes of the event were successfully accomplished.**
