### **Detailed Report:**

The Alumni Meet 2025, held on 18th April 2025 at the Main Auditorium, began with the registration and welcome session from 10:00 AM to 11:00 AM. Alumni and dignitaries were greeted with a refreshing welcome drink, creating an atmosphere of warmth and nostalgia. The venue buzzed with excitement as old classmates reconnected and shared cherished memories. The program began with inauguration ceremony at 11:00 AM, and featured several formal proceedings, including the lighting of the lamp, invocation song, and welcome and keynote speeches by the Executive Secretary to the Chairman, Director of Placements, and Dean of Alumni. Distinguished alumni were honored during the prize distribution ceremony, followed by a symbolic cake-cutting that marked the celebration of unity and lifelong connections among the alumni as well as the institution.

The event transitioned smoothly into cultural programs highlighting the creative and vibrant spirit of the institution. A vibrant series of performances included invocation and group dances, solo singing, a skit, and solo dance acts by students. Alumni also participated in cultural program and showcased their talents through musical, dance, and poetry performances. Recreational games for both students and alumni were interspersed throughout, adding a fun and interactive element to the proceedings. These sessions fostered bonding and community spirit among attendees.

Post-lunch, which was served from 1:30 PM to 2:30 PM, alumni visited their respective departments, interacted with faculty and students, and revisited the spaces that once shaped their careers. This was followed by an hour of outdoor fun games that reinforced teamwork and camaraderie. The day culminated with the grand college fest, Acharya Habba, starting at 4:30 PM, where alumni joined current students in enjoying a vibrant cultural celebration. The Alumni Meet 2025 was a resounding success, leaving all attendees with cherished memories and a renewed sense of connection to their alma mater.

### **Conclusion and Audience Feedback Summary:**

The ALUMNI MEET – 2025 was a memorable celebration of unity, nostalgia, and joy. It reinforced the strong bond between alumni and their alma mater and created opportunities for future collaboration, mentorship, and networking. The event was marked by heartfelt moments, inspiring stories, and a shared commitment to nurturing the institution's legacy. The event served as a bridge between past and present, strengthening ties that extend beyond academic years. With enthusiastic participation, seamless organization, and a spirit of togetherness, the Alumni Meet 2025 proved to be both meaningful and memorable for all involved.

Feedback collected from alumni, faculty, and students reflected overwhelming appreciation for the event. Many alumni expressed heartfelt gratitude for the opportunity to reconnect with peers and mentors, praising the warm hospitality and meticulous planning. The cultural events and recreational activities received special mention for their energy and inclusivity. Faculty members appreciated the renewed engagement with former students and the knowledge-sharing potential such meets hold. Students found the interaction with alumni inspiring, as it offered career insights and motivation. Suggestions for the future included more networking-focused sessions and follow-up engagement programs. Overall, the feedback was extremely positive, with attendees expressing keen interest in participating in future alumni events.

### DEPARTMENT OF CRIMINOLOGY AND FORENSIC SCIENCE

Report Submission: 20/11/2024

Semester:	ODD -III	Academic Year:	2024–25	Venue:	BRS Global school Auditorium
Event Date:	15/11/24	Time:	1:30pm – 5:00pm	Duration:	3 <sup>1/2</sup> hrs

#### TYPE OF EVENT: ALUMNI MEET

#### EVENT NAME: "CHAI PE CHARCHA WITH YOUR HOD"

Target Audience: Alumni of Criminology Number of Participants: 12

#### Objectives:

- Provide a warm, informal platform for alumni to reconnect with the HOD and faculty.
- Encourage alumni to share insights, career advice, and real-world experiences in criminology and forensic science. This can be facilitated through both in-person and virtual sessions.
- Establish a sense of community among alumni, promoting a supportive network.

**Program Introduction:** The Criminology Department Alumni Get to Gather on the 15th of November, 2024.

**Theme of the Event:** *CHAI PE CHARCHA WITH YOUR HOD, Fostering Connections: Bridging the Past, Present, and Future.*

#### Detailed Report:

The Criminology Department organized Alumni meet on the 15th of November, 2024. The meet, held from 1:30 PM to 5:00 PM, aimed an engaging platform for alumni to reconnect with the department, interact with faculty, and share their professional experiences.

#### Participants

Alumni of Department of Criminology and Forensic Science

## ACHARYA INSTITUTE OF GRADUATE STUDIES

(NAAC Re-accredited 'A' and Affiliated to Bengaluru City University)

Soladevanahalli, Bengaluru-560107

### □ Welcome Address:

The event began with a warm welcome address by Anisha Anant Kudaskar, Assistant Professor and the Head of the Department (HoD), Dr. Theju Kumar C, who expressed gratitude to the alumni for their continued support and contributions to the department. Dr. Theju Kumar C emphasized the importance of alumni engagement in fostering a collaborative academic and professional community.

### □ Alumni Interaction:

Several distinguished alumni participated in the event, some joined through online mode and others participated through offline mode. They shared valuable insights into their career journeys, discussed challenges in their fields.

### □ Discussion Over Tea:

True to the name of the event, an informal discussion session was held over tea and snacks. Alumni had an opportunity to engage one-on-one with the HoD and faculty members. Topics ranged from curriculum improvements and industry trends to collaborative opportunities for projects and internships.

### □ Networking Opportunities:

The event provided a relaxed and friendly atmosphere for alumni to network with each other and the department. Contact information was exchanged, and possibilities for mentorship programs and industry-academia collaborations were explored.

### □ Vote of Thanks:

The event concluded with a vote of thanks by the Alumni Relations Coordinator, who appreciated the efforts of the organizing team and thanked the alumni for their valuable time and contributions.

(NAAC Re-accredited 'A' and Affiliated to Bengaluru City University)

Soladevanahalli, Bengaluru-560107

### **Outcomes:**

1. Alumni will feel reconnected and valued by the department, strengthening their sense of belonging and commitment to supporting the department in the future.
2. A stronger, more engaged alumni network will emerge, creating opportunities for mentorship, collaborations, and career support that can benefit future graduates and foster ongoing engagement with the department.
3. Virtual attendees will strengthen online connections with faculty and peers, encouraging ongoing interaction and support through digital channels, creating an easily accessible community.

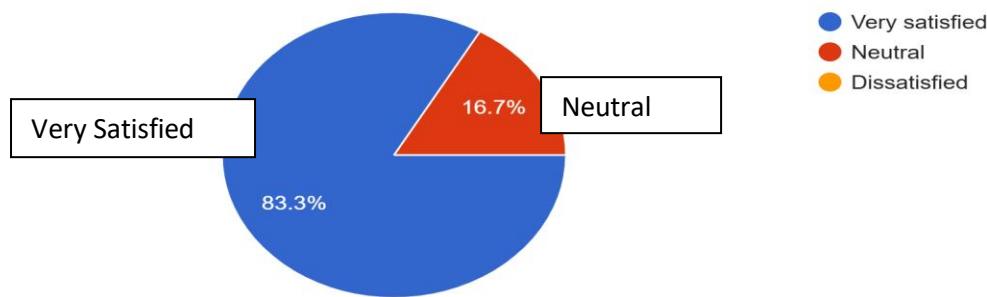

### **Conclusion and Audience Feedback Summary:**

The event received overwhelmingly positive feedback from both alumni and participants. Alumni appreciated the opportunity to reconnect with their alma mater, while students found the discussions motivating and insightful. The department looks forward to conducting more such events in the future to strengthen ties with its alumni community.

**Semester:** EVEN

**Academic Year:** 2024-25

**Venue:** MBA Auditorium,  
Acharya Institutes

**Event Date:** 01/05/2025

**Time:** 11:00am - 01:00pm

**Duration:** 2 hours

### TYPE OF EVENT: ALUMNI TALK

### EVENT NAME: ACADEMIC TO INDUSTRY TRANSITION

**Target Audience:** VI Sem Students

**Number of Participants:** 31

#### Objectives:

- To expose students to real-world industry expectations.
- To identify essential skills beyond the academic curriculum.
- To inspire students to take proactive steps toward career readiness.

#### Program Introduction:

To bridge the gap between academic learning and industry expectations, Department of Computer Application organized an insightful Alumni Talk on "Academic to Industry Transition: Skill Requirements for Success" on 01-05-2025. The session aimed to provide students with a practical understanding of the evolving skill demands in the professional world and how to prepare effectively for a smooth transition from campus to corporate.

#### Theme of Event: Alumni Talk

- **Understanding the Gap:** The speaker discussed key differences between academic knowledge and practical industry applications.
- **Critical Skills for Industry:** Emphasis was placed on skills such as problem-solving, adaptability.
- **Building a Career Roadmap:** Advice was given on internships, certifications, networking, and leveraging alumni connections.
- **Q&A Session:** Students engaged in a lively interaction with the speaker, seeking advice on resume building, interview preparation, and choosing the right career path.

### Resource Person(s):

It is my great pleasure to introduce today's distinguished speaker, Mr. Krishna Pandey and Mr. Gaurav Mehta, an esteemed alumnus of Acharya Institute of Graduate Studies, from the Batch 2021 of the Department of Computer Application.

**Mr. Krishna Pandey** is currently working as a **Technical Assistant at IISC**, where they have been making significant contributions. With over 2 years of experience in the industry, he brings a wealth of knowledge, insight, and practical understanding of the current job market and workplace dynamics.

**Mr. Gaurav Mehta** is currently working as **Software Development Engineer at Kloud Spot**, in the area of Deep Learning, networking. He worked on different project like Airbnb stock prediction, E Job Portal, Matching Engine etc.

### Detailed Report

The Alumni Talk on the theme "Academic to Industry Transition: Skill Requirements for Success" was organized by Department of Computer Application on 01-05-2025 at MBA Auditorium Acharya Institutes. The session aimed to provide students with first hand insights into the evolving expectations of the professional world and to guide them on how to align their academic preparation with current industry demands. The talk was part of the department's ongoing efforts to strengthen alumni engagement and offer students meaningful exposure to real-world experiences.

The event featured two accomplished alumni as guest speakers:

- **Mr.Krishna Pandey, currently working as a Technical Assistant at IISC**
- **Mr.Gaurav Mehta presently serving as Software Development Engineer at Kloud Spot.**

The session began with a warm welcome by Professor Shivi Dixit, followed by introductions of the guest speakers. The first speaker discussed the importance of bridging the academic-industry gap, highlighting how classroom learning can be translated into practical skills. Emphasis was placed on staying updated with technological trends, engaging in continuous learning, and developing a mind-set oriented toward problem-solving and adaptability. The second speaker focused on soft skills such as communication, time management and professional etiquette—skills that are often overlooked in academic settings but highly valued in the workplace.

The session concluded with a highly interactive Q&A round, during which students asked thoughtful questions regarding career planning, choosing between higher studies and job opportunities, handling workplace challenges, and developing niche skills. The guest speakers responded with sincerity and shared personal anecdotes, making the session relatable and inspiring.

Overall, the Alumni Talk was a resounding success. It fulfilled its objective of equipping students with knowledge about industry expectations while promoting the importance of skill development and lifelong learning. The department looks forward to organizing similar sessions in the future to continue bridging the gap between academia and industry.

### **Outcome :**

The session offered students valuable insights into the gap between academic knowledge and industry expectations, helping them understand the importance of bridging this divide. It highlighted the significance of developing both technical and soft skills, encouraging students to identify areas for personal growth. Participants were introduced to a range of tools, certifications, and platforms aligned with current industry trends, equipping them with practical knowledge for future career opportunities. The session also inspired students to take proactive steps in career planning, resume building, and professional networking. Real-life experiences shared by the alumni made the session highly relatable and motivating, leaving a lasting impact on the attendees.

### **Conclusion:**

The Alumni Talk on "Academic to Industry Transition: Skill Requirements for Success" concluded on a highly positive and encouraging note. The session successfully met its objectives of guiding students toward aligning their academic efforts with real-world industry demands. The insights shared by the distinguished alumni provided students with practical knowledge, career clarity, and motivation to actively pursue personal and professional growth.

The interactive nature of the talk, combined with the speakers' relatable experiences, made the session both informative and inspiring. It also reinforced the importance of maintaining strong alumni connections and leveraging their experiences for student development.

The event concluded with a vote of thanks by Ms. Shivi Dixit, Assistant Professor in the Department of Computer Application. She expressed her gratitude to all the guests, faculty members, mentors, and students for their contributions and participation.

Report Submission: 19/09/2024

Semester:	ODD V	Academic Year:	2024–25	Venue:	Acharya Victory GYM
Event Date:	18/09/2024	Time:	1:00-3:00 PM	Duration:	3 HRS

### TYPE OF EVENT: ALUMNI TALK

### EVENT NAME: BE STRONG BE HEALTHY

Target Audience:	V Sem BCA Students	Number of Participants	31
------------------	--------------------	------------------------	----

#### Objectives:

- Promote Awareness:** Encourage students to understand the importance of maintaining good health and fitness in daily life.
- Share Personal Experiences:** Provide insights from the alumni's personal fitness journey and how it has impacted their career and well-being.
- Inspire Healthy Habits:** Motivate students to adopt healthy lifestyle choices, including proper diet, exercise, and mental wellness.

#### Program Introduction:

In today's fast-paced world, maintaining physical and mental well-being is more important than ever, especially for students balancing academic pressures.

Our esteemed alumnus, **Mr. Naveen Kumar S** year of pass-out (2019), has successfully integrated health and fitness into their professional and personal life, and today, they will be sharing valuable insights, tips, and motivation to help you make health a priority. We hope this session will inspire you to take positive steps toward a healthier and more balanced lifestyle.

#### Theme of the Event:

The theme of the event, "Be Strong, Be Healthy", perfectly captures the essence of today's session. It emphasizes the significance of both physical and mental strength in leading a healthy, balanced life. Through this theme, we aim to inspire students to take charge of their health, prioritize fitness, and cultivate habits that will empower them to face challenges with strength and resilience, both in academics and beyond.

## ACHARYA INSTITUTE OF GRADUATE STUDIES

### Resource Person(s):

We are honoured to have **Mr. Naveen Kumar S**, a proud alumnus of our college. Mr. Naveen completed his **BCA** in **2019** and is currently pursuing his MCA at PES University. Alongside his academic pursuits, he has carved out a remarkable role as a Fitness Advisor at Cult Fit, where he specializes in guiding individuals toward healthier and stronger lifestyles.

With his expertise in both the world of fitness and academia, Mr. Naveen is uniquely positioned to share insights on how we can integrate fitness into our busy schedules, achieve better health, and ultimately enhance our overall well-being. His passion for fitness and dedication to helping others makes him the perfect resource person for today's session

### Detailed Report:

On **19/09/2024**, an insightful session was conducted by **Mr. Naveen Kumar S**, an alumnus of Acharya Institute of Graduate Studies, now pursuing his MCA at PES University and serving as a Fitness Advisor at Cult Fit.

The event, themed "Be Strong, Be Healthy," focused on key aspects of health and fitness, providing students with valuable guidance on maintaining a balanced lifestyle.

The session covered several important topics, beginning with the significance of a well-structured diet plan. Mr. Naveen emphasized the importance of balanced nutrition, highlighting the role of protein intake in building muscle and maintaining energy levels. He provided tips on how to incorporate protein-rich foods into daily meals for optimal health benefits.

In addition to diet, the session delved into various forms of exercise and fitness training. Mr. Naveen outlined different exercise methods, such as strength training, cardiovascular workouts, and flexibility exercises, emphasizing their role in maintaining overall fitness. He also provided practical tips on creating sustainable workout routines that fit into students' busy schedules.

Lastly, the importance of discipline and consistency in maintaining a healthy lifestyle was emphasized. Mr. Naveen engaged with the audience, answering queries and offering personalized advice, making the session highly interactive and motivational.

### Formal Session, Resource Person Invite for talk

On 19/09/2024, an engaging and informative alumni talk titled "**Be Strong, Be Healthy**" was held at Acharya Victory GYM. The talk commenced at **01:00 PM** and featured **Mr. Naveen Kumar S**, a distinguished alumnus of Acharya Institute of Graduate Studies, who is currently pursuing his **MCA at PES University** and working as a **Fitness Advisor at Cult Fit**.

Guest was welcomed by **Ms. Yamuna P, Dept of Computer Applications**, and the talk began with a focus on the importance of maintaining a balanced and nutritious **diet**. Mr. Naveen discussed how a proper diet forms the foundation of good health, particularly highlighting the role of **proteins** in muscle development and recovery. He provided practical examples of protein-rich foods and suggested diet plans that are easy to follow for students.

Moving forward, the session delved into various **exercise routines and fitness training**. Mr. Naveen explained the benefits of different types of exercises, including **strength training, cardiovascular exercises**, and **flexibility routines**, emphasizing their significance in maintaining both physical and mental well-being. He shared tips on time management, encouraging students to integrate short but effective workout sessions into their daily schedules.

### **Vote of Thanks**

The session concluded with a heartfelt vote of thanks delivered by **Ms. Sridevi from the Department of Computer Applications**. She expressed her gratitude to **Mr. Naveen Kumar S** for his valuable insights and for inspiring students to prioritize their health and fitness. **Ms. Sridevi** acknowledged his efforts in boosting awareness about the importance of a balanced lifestyle among students.

To honor his contribution, a token of appreciation was presented to **Mr. Naveen by Mr. Ramakrishna Reddy, the Head of the Department of Computer Applications**. The event ended on a positive note, leaving students motivated to take proactive steps toward improving their health and fitness.

### Outcomes:

The talk by Mr. Naveen Kumar S was a great success. Key outcomes include:

1. Better Awareness: Students learned about the importance of a balanced diet and regular exercise.
2. Practical Tips: They received useful advice on diet planning and exercise routines.
3. Inspiration: Mr. Naveen's experiences motivated students to prioritize their health.

### Conclusion and Audience Feedback Summary:

The alumni talk, "**Be Strong, Be Healthy**," featuring **Mr. Naveen Kumar S**, was both informative and inspiring. The session successfully highlighted the importance of integrating a balanced diet and regular exercise into daily life. Students walked away with practical advice on nutrition, fitness routines, and how to maintain consistency in their health efforts. The event fostered a sense of community and motivated students to take proactive steps towards a healthier lifestyle. With valuable insights and personal inspiration, the talk has set a positive tone for students to prioritize their well-being and support each other in their fitness journeys

### **Detailed Report:**

On 23/09/2024 Department of Management organized Alumni Talk from department of management. There were in total 81 students all seated in seminar hall, for the alumni talk which went for 1 hour m. The topic been chosen by Ms. Namitha C was “Career Opportunities”

The session began with an introduction to Ms. Namitha C’s professional journey. After graduating with a degree in BBA, she embarked on a career in marketing where she has held various positions, including Assistant Executive in Marketing Department. This background provided a solid foundation for her discussion on the importance of understanding career opportunities. During the presentation, she outlined several key career paths within finance and marketing highlighting roles. She emphasized the significance of aligning one’s skills and interests with potential career options, encouraging students to explore diverse fields. By sharing personal anecdotes and experiences, she illustrated how adaptability and continuous learning are vital in today’s dynamic job market. One of the central themes of the talk was the importance of networking. Namitha C stressed that building professional relationships can significantly enhance job prospects. She provided practical tips for effective networking, such as attending industry events, utilizing social media platforms like LinkedIn, and seeking mentorship from experienced professionals. Her insights resonated with students, many of whom expressed eagerness to expand their professional networks.

The session also addressed the value of internships and hands-on experiences. Namitha C explained how these opportunities not only enhance resumes but also provide critical exposure to real-world challenges and workplace dynamics. She encouraged students to seek internships, volunteer opportunities, or part-time positions that align with their career goals, as these experiences can set them apart in competitive job markets. Following the presentation, the floor opened for a Q&A session, where students eagerly posed questions about career strategies, industry trends, and job search tactics. The interaction was lively, and Namitha C offered thoughtful advice tailored to individual queries.

In conclusion, the alumni talk served as an invaluable resource for students seeking to understand and explore career opportunities. By sharing her experiences and insights, Namitha C inspired attendees to take proactive steps in their career journeys, reinforcing the idea that success is built on preparation, networking, and a willingness to learn. The event not only strengthened the bond between current

## DEPARTMENT OF COMMERCE

Report Submission: 19/12/2024

Semester: ODD

Academic Year: 2024-25

Venue: 201AIGS

Date: 16/12/2024

Time: 11:00AM to 1:30PM

Duration: 2HRS30min

### TYPE OF EVENT: ALUMNI TALK

EVENT NAME: "Essential Interpersonal Skills for Data Analysts"

---

Target Audience: BCOM 3<sup>rd</sup> & 5<sup>th</sup> sem  
STUDENTS Number of Participants: 65

---

#### Objectives:

- To Develop a clear vision for the organization.
- It helps Set SMART goals and communicate them effectively to the team.
- It helps to improve the Enhance verbal and written communication skills. the main is To Improve decision-making skills, considering both short-term and long-term consequences.
- To Involve team members in the decision-making process when appropriate.

#### Program Introduction:

On 16<sup>th</sup> DECEMBER 2024, we conduct event "Essential Interpersonal Skills for Data Analysts" In the world of data analytics, technical proficiency with tools and methods like Python, SQL, or machine learning is indispensable. However, data analysts also need strong interpersonal skills to excel in their roles and maximize their impact within an organization. These skills ensure effective collaboration, clear communication, and the ability to drive actionable insights.

**The theme of the event:** The ability to connect, communicate, and collaborate effectively with others is equally critical. This event will delve into the **interpersonal skills that empower data analysts to amplify their impact** within teams and organizations.

Resource Person: Mr Pruthvi R Naidu. Data analyst

**Detailed Report:** The Department of Commerce proudly organized an insightful alumni talk event on **16th December 2024**, focusing on the theme "**Essential Interpersonal Skills for Data Analysts**". This session brought together students, faculty, and alumni to explore the indispensable interpersonal skills required for data analysts to thrive in the corporate world.

The event aimed to shed light on the critical interpersonal skills necessary for navigating the challenges of the corporate field as a data analyst. It also provided a platform for alumni to share their professional experiences and inspire current students.

- Real-world challenges faced by data analysts in corporate environments.
- Importance of communication, collaboration, and adaptability in solving complex problems.
- Strategies to effectively handle stakeholder expectations and cross-functional dynamics.
- Lessons learned from the alumni's journey, including overcoming obstacles and seizing opportunities.

Alumni speakers emphasized how technical knowledge alone isn't enough to succeed. They highlighted the significance of skills such as active listening, data storytelling, teamwork, and time management in bridging the gap between analytics and actionable business outcomes.

#### **Takeaways for Participants:**

- A deeper understanding of how interpersonal skills complement technical expertise in a corporate setting.
- Practical advice on managing common issues faced by data analysts, including ambiguity, tight deadlines, and shifting priorities.
- Inspiration from real-world experiences of professionals who have successfully navigated the evolving landscape of data analytics.

This alumni talk was a testament to the department's commitment to bridging academia and industry, equipping students with the knowledge and skills needed for holistic professional development.

It was a very informative, interesting and practicable session for students; also, students actively participated throughout the session. The session gave the students and the faculty members an opportunity to learn the importance about entrepreneurship and innovation. He is explaining about inspiring Visions to students about the leadership skills that is Leaders should have a clear and inspiring vision that motivates and guides their team or organization toward a common goal. And the main thing is explaining about the team Leaders need to foster a positive and collaborative team culture, encouraging teamwork, trust, and a sense of belonging. And to give some ideas to students about innovation and creativity ideas in order to start the business. Entrepreneurs should cultivate a mindset of innovation, constantly seeking new ideas and creative solutions to problems.

I would like to thank our Management, Department of Commerce, and HOD for the support and coordination in making this event successful.

decisions. Ultimately, taking advantage of these opportunities contributes to satisfaction and achievement in one's chosen field.

**Resource Person(s):** *Ms. Niharika, Ph.D. Scholar, Department of Physics, VIT-AP University, Amaravathi, Andhra Pradesh.*

### **Detailed Report:**

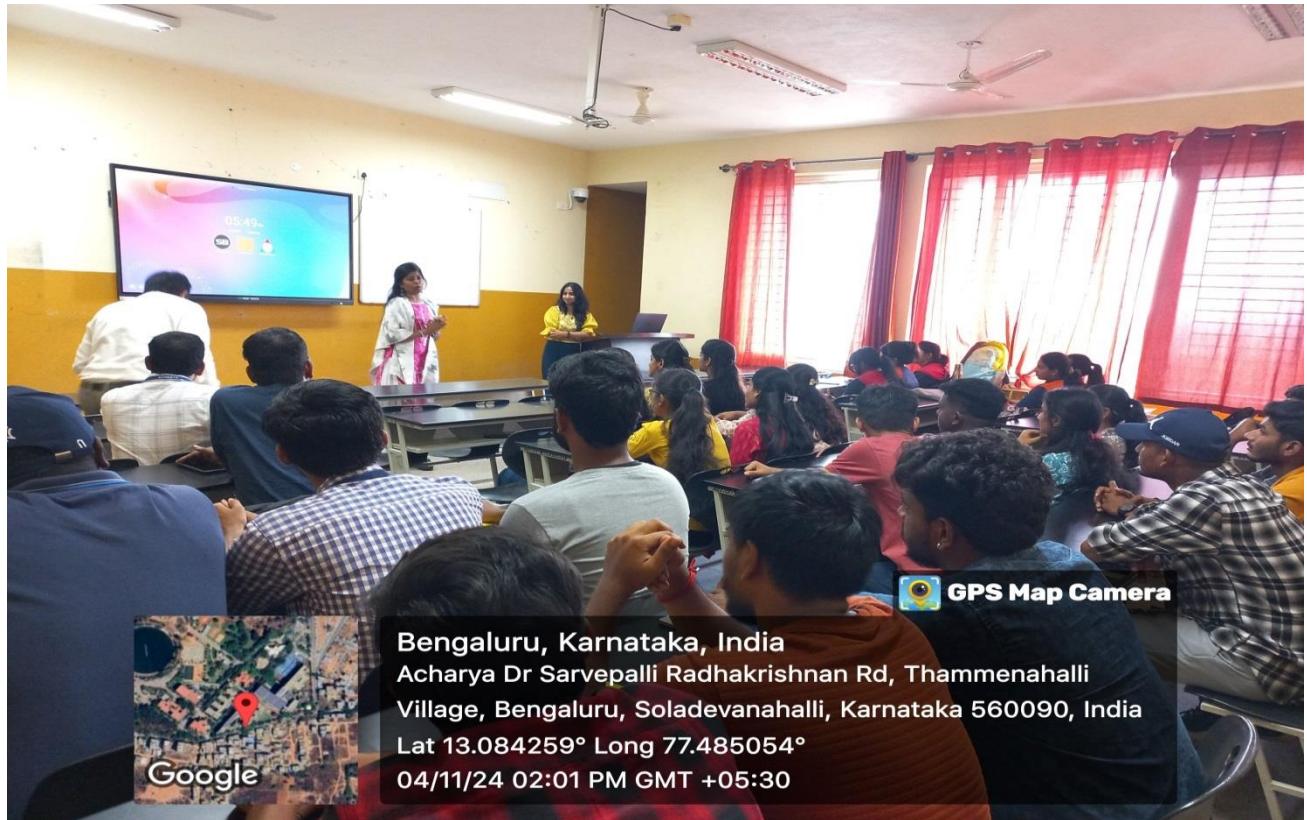

On 04/11/2024, the Department of Science organized an alumni talk titled "**Navigating Career Paths and Research: Building Foundations for the Future.**" The talk was held in Room No. 503 and attracted 24 B.Sc. and M.Sc. students eager to explore potential career and research pathways. Ms. Niharika, M P a Ph.D. scholar at Vellore Institute of Technology, Andhra Pradesh, shared her journey and insights into navigating research and career options effectively.

She began by describing her academic and research journey, providing a foundation for the discussion on career and research opportunities in science. She highlighted the importance of understanding one's skills and interests, advising students to align these with potential career paths. Throughout her talk, she emphasized adaptability and continuous learning as key skills in today's dynamic job market.

A central theme of the discussion was the significance of networking and building professional relationships. She encouraged students to seek out mentors and to participate in research projects or internships, emphasizing that such experiences are valuable for career development. She also offered practical tips on networking, from attending industry events to connecting with professionals on platforms like LinkedIn. Her insights resonated with students, sparking interest in exploring their networks more actively.

Ms. Niharika M P stressed the value of hands-on experience, noting that internships and volunteer opportunities not only enhance resumes but also expose students to real-world research and career challenges. She recommended that students pursue these opportunities to gain practical insights that complement their academic knowledge.

The session concluded with a Q&A segment, where students eagerly asked questions about career planning, research trends, and job search strategies. She addressed each question thoughtfully, offering tailored advice and motivating students to approach their career goals proactively.

**Detailed Report:** The Department of Journalism and Mass Communication at AIGS organized an informative Alumni talk on digital media held on November 16, 2024. The session aimed to provide students with a comprehensive understanding of digital media. Ms. Saritha AV served as the keynote speaker of the event. The session commenced at 10 am. The event began with a welcome address by Premavathi. M, Head of the Department of Journalism. Ms. Saritha AV focused on the art of content creation in the digital age. She discussed the intricacies of creating compelling content across platforms such as YouTube, Instagram, and podcasts. She shared her insights on content trends, audience engagement, and monetization strategies, thereby inspiring students to leverage their creativity in the digital space. A major portion of the talk focused how to prepare content for the digital media platforms. The speaker provided examples of digital media content creation which helps the students to get an in-depth understanding about the subject. The Alumni Talk proved to be a highly educational experience for all participants. Following the keynote talk, there was a 30-minute interactive Q&A session where students posed questions regarding career paths, skill development, and industry demands. The event attracted over 65 attendees, including students and faculty members. The talk was successfully inspired by the students to further explore the digital media sector and take actionable steps toward building their careers.
